*Sep 2014 - May 2019*
Level: GCSE
**Lycée Français Charles de Gaulle, London, UK**
*Sep 2019 – May 2022*
Level: International Baccalaureate (OIB)
**Ecole de Design Nantes Atlantique, Nantes, France**
*Sep 2023 - Present*
Course : UI/UX Design

## PROFESSIONAL EXPERIENCE

**Graphic Design - Freelance**
*Since May 2020*
*Portfolio: https://www.behance.net/youristolper*
Specialising in logos, banners and advertisement used in digital marketing and social media identity. Through my published work and portfolio, I have been able to attract new clients on dedicated online forums. When working on projects, I particularly enjoy the detailed discussions with customers to define and understand exactly what they need. Adobe Photoshop and Illustrator as well as Figma are the main tools used for my work.

**Xiphias Online Design Agency**
*November 2022 - March 2023*
*Website: https://xiphias.digital*
The agency recruited me to work as one of the most senior members in a team of over 15 designers. I had extensive client interactions to help define the individual project briefs. My work is prominently displayed on the landing page of the agency's website.

**Soldo Ltd - Internship**
*June 2019*
The two-week school internship in a FinTech company (Soldo Ltd) was my first work experience in a proper office environment. I particularly enjoyed the time I spent with the UI / UX team that optimised key design features of the Soldo app.

**Various Student Jobs**
*Since 2021*
Bar staff in a London pub during my gap year (8 months). Various catering jobs. Renovated a friend's house.

## DESIGN AWARDS

**Hacking Health -** *October 2024 -* **1st Place**
Designed an app that connects with a smart pillbox, a project that won the prize for sustainable, patient-friendly healthcare solutions.

**Hackathon -** *January 2025 -* **1st Place**
Redesigned the dashboard of the Midipile® micro-car.
